DEDICATION

The first annual at Cloverleaf Senior High School, the "EQUESTRIAN", is dedicated to all the people of the Cloverleaf School District for their part in providing the high school students of this district with a modern and outstanding high school building. The efforts of everyone helped make this first year at Cloverleaf a memorable year for all concerned. May we ever keep in the mind the following:

"Coming together is a beginning;
Keeping together is progress;
Working together is success."

TODAY WE FOLLOW,

SONNET TO A SENIOR

As you leave school to make your way
Do you wish that you could stay
And do the things you always did
When you were just a carefree, high
school kid?

Do you long for days gone by
Days you spent in your favorite High
And all the fun you always had
Trying to make the teacher mad?

Do you laugh and do you grin
At all the scraps that you've been in
Don't you miss your many friends
And feel the pain when high school ends?

Then come along and pine with me
For the high school student I used to be.
